## East Lee County High School Leadership Academy 2017-2018 Code of Conduct

The East Lee Leadership Academy (ELLA) community is one that prides itself on respect, loyalty, duty, self-less service, honor, integrity, personal courage and success as the only option. As current and future leaders, citizens will rely on our cadets to keep our communities safe. In order to help cadets excel in the academy and in their futures in college and or career, they will be expected to follow the ELLA code of conduct. We will review these guidelines throughout the year and any violations of the code of conduct will be reviewed by the ELLA Administration and Honor Council and can result in the cadet being placed on academy probation or permanently removed from the Leadership Academy.
