Dear East Lee County Families,

Wow, what an incredible transformation a year can bring! As I prepare to embark on my second year as your proud principal, I can't help but reflect on the numerous achievements we celebrated during the first year. Let me begin by expressing my utmost gratitude to last year's senior class. They not only welcomed me with open arms but also achieved the highest graduation rate in the entire East zone. It was truly a remarkable accomplishment.

Moreover, I am thrilled to share the remarkable progress we made in our U.S. History and Biology test scores, which showed significant improvement compared to the previous year. Additionally, our extra-curricular activities saw unprecedented success, showcasing the diverse talents and dedication of our students.

As we venture into the 23-24 school year, I am filled with excitement and enthusiasm to continue building a supportive and inclusive culture. Working closely with our administration, teachers, and staff, our primary objective is to create a safe and nurturing environment for effective teaching and learning. I must commend our grounds and custodial staff for their exceptional work in preparing the building, ensuring a conducive atmosphere for all.

We recognize that parental involvement plays a crucial role in enhancing student achievement. Therefore, I urge all parents to join us in preparing our students academically, technically, and socially for life after graduation. Your partnership is invaluable in ensuring our students reach their highest potential.

I feel incredibly honored to serve as the Principal at East Lee County, and I am genuinely excited about the prospects of the upcoming year.

Together, let's make it a year of new accomplishments and continued success.

We Are East. Where Success Is The Only Option.

Yours in Education,

Welcome to our Jaguar Family, Ms. Marics, the new Assistant Principal at East Lee County High School! Ms. Marics has an impressive background, having graduated from LSHS in 2010 and obtained a Bachelor's in Elementary Education and Psychology, as well as a Master's in Education Leadership from USF. With her 10th year in Lee County this year, she brings valuable experience and dedication to her new role.

During their summer break, Ms. Hester and Mr. Moor had an incredible time at Sphere Summit, meeting Congressman Dan Kildee, Congresswoman Ashley Hinson, and David Olsen during the 2nd session. They also attended the summit alongside keynote speaker Elaine Kamarck and Congressman Steny Hoyer, enriching their understanding for their students at #WeAreEast.

Their exploration of history took them to awe-inspiring places like Ford's Theatre, serene Lincoln Park, and the eye-opening

African-American Smithsonian Museum. Each moment was a journey of learning and reflection, catering to the hearts of true #HistoryLovers while #ExploringDC.

Furthermore, they embarked on an enlightening journey at the Freedoms Foundations seminar on Frederick Douglass, dedicated to deepening their knowledge and bringing the wisdom of this influential figure back to East Lee County, all in the spirit of #WeAreEast. Quite an eventful and enriching summer for our teachers!

Students hold ID under barcode reader for automatic ID scan. A keypad backup can also be used to enter student's ID #.
